The Housing and Economic Recovery Act of 2008 (HERA) specifies that all of the funds appropriated under the Neighborhood Stabilization Program shall be used with respect to individuals and families whose income does not exceed 120 percent of area median income. This map shows every Census Block Group (part) and whether or not it qualifies as an area of low-, moderate, and middle-income (LMMH) benefit, where more than 51 percent of the people in the area had incomes in 2000 less than 120 percent of Area Median Income
